Tours:

- If you would like to come take a tour of our facilities, we welcome you to do so! Please call our office to schedule a day & time and one of our staff members would be happy to show you around and answer any questions you have.
- Shiloh's Main Office is located on the first floor of the Lodge - the first building you see when you pull in.

Booking:

- Contact Shiloh's office for reservations & date availability. Once we find a date that works for your group, fill out *Initial Registration Contract, Part 1* (see below for details on how to register/package information)
 - Form 1 provides us with some basic contact information & reservation options.
 - Choose how many nights/meals you would like to stay for (options listed on registration form)
 - Pricing is 'package pricing' – there is no itemizing or individualizing – everyone pays the same
 - Holiday retreats will cost an additional \$10 per person.
 - Minimum number of guests is 15, maximum is 84.
- Send *Initial Registration Contract* to us with \$100 registration fee (non-refundable office processing fee) & date retainer fee/security deposit of \$500 per dorm/cabin. This payment will hold your spot on our calendar for those rooms only. More rooms may be added later if available.
 - The deposit covers filling at least half of each room reserved, & credit will go toward your final balance.
 - If rooms are reserved, but headcount comes up short & rooms are not needed, the deposit for those rooms will NOT be credited to your balance.
- Dates will not be held until registration & date retainer fees are paid.
 - Send check & form in the mail, or email form & pay via paypal on our website
- Due to preparation expenses on the part of Shiloh, a retainer becomes non-refundable if cancellation is within two months of scheduled retreat date.
- Rescheduling a retreat may be permitted, and retainer fees can be reapplied toward rescheduling if done so within the calendar year.
- As your retreat date approaches, (at least 1 month prior) please provide updated information via *Registration Details Form Part 2* - headcount, meeting room setup, schedule, meals, room assignments, special needs, etc.
 - Please be prompt in submitting this information so that we can properly prepare for your arrival – a portion of your deposit will be withheld if paperwork is not turned in on time.

Head Count:

- When booking a retreat, initially give an idea of how many attendees you estimate coming (*Initial Reg. Contract, Part 1*)
- We need an updated & definite head count at least 1 month before your retreat date (*Registration Details Form, Part 2*)
 - If we do not receive an updated count, you will be responsible to pay for the highest number registered on the initial registration form
- After that 1 month mark, you are responsible to pay for the highest number of attendees registered.
 - If guests drop out, it is your responsibility to fill their spot or pay for their absence
 - You may add more attendees to your facility, but please call ahead to make sure there is availability
- If you have any day-time visitors, there is a charge of \$50 per person per day for each visitor, as this is an increased liability to the camp. (Any non-overnight guest who visits for any part of any day of your retreat.)
This price includes 1 meal – lunch or dinner (please notify staff of which meals those guests will be present for)
- If at any time during your stay, more guests arrive late or need to depart early, please notify the Main Office of the change in head count so that meals and activities can be planned accordingly.
 - Guests who opt to arrive late or depart early will not be given a discount for this choice.

Camp Shiloh 2019 – Challenge Course: Element Descriptions

www.campshiloh.com | 753 Burnt Meadow Road, Hewitt NJ 07421 | 973.728.7845 | register@campshiloh.com

- **High Ropes Course:** Suspended from the ceiling of our gymnasium, this course is sure to be a favorite. Head through the gameroom to the course's entrance, get harnessed in, and begin your above-ground journey through the elements. Begin on one side of the gym to cross the Log Traverse, Cable Traverse, & Ladder Bridge, take the Zip Line to the other side, then make your way back through Pirates Crossing & Island Hop, finishing with the exhilarating Leap of Faith back to earth.
- **Rock Climbing Wall:** Located on the far end of the gymnasium, Shiloh's 40-foot high Rock Wall can challenge climbers with any skill set. Younger campers can learn on the incline wall, then move on to beginner, advanced, and expert challenges. Automatic belay devices keep things moving on the main 3 courses, while the other 3 require hand-belay by our trained staff. Hurry to the top of the wall and ring the bell while your friends cheer you on from below. Then 'spiderman' your way back down to the ground and move on to a new challenge.
- **Giant's Ladder:** A ladder, eight feet wide with 4-by-4's for rungs, suspended from the gym ceiling. Pairs or groups of three get harnessed in & belayed on this element at the same time. It is a powerful tool, as participants find out quickly how important it is to help each other to the top, and that their own success depends on the success of their teammate(s).
- **Centipede Climb:** A series of hanging 4-by-4s with staple-steps, create this centipede-looking obstacle. Get harnessed in and wiggle your way to the top, then get belayed back to the floor & get a high-five for a job well done!
- **Zip Line:** Camp Shiloh's zip line is 400 feet long. This challenge will have you climb a ladder to our platform approximately 15 feet up in the starting tree. Once the facilitator has all your equipment ready, you will be instructed that you are free to leave the platform under your own power and zip across our athletic field to the gravity stop.
- **Giant Swing:** (*Currently unavailable) This adventure activity is a swing on steroids. You will be harnessed to the swing and your group will pull you to the desired height off the ground. Once you reach the height you desire, you will be in control of releasing yourself for the large swing.
- **Team Building Games:** Groups of all ages can encounter these challenge initiatives that use bean bags, hoops, ropes, balls and other props to teach foundational team-building skills and concepts.
- **Low Ropes Course:** These challenging obstacles (referred to as: Ladder of Humility, Nitro Swing, Porthole, Walk of Faith, Wild Woozy, Whale Watch, & All Aboard) use cables, ropes, platforms, beams, tires. We'll take time to observe, discuss and learn from the group's approach to solving each challenge. Participants grow in communication, leadership, cooperation, patience, goal-setting, analysis, and planning by working together to conquer each one.
- **Archery:** Test out your inner 'Robin Hood' & learn how to shoot a bow & arrow at our archery range.
